KEAR FALLS

Joseph Boulette Dead—Mrs. Norton Ill.

Rev. Harry Richardson of Bristol, Vt., supplied the pulpit Sunday morning, taking his text from Matthew 24th, Chapter, 26th verse. The choir sang all the hymns, the solo, "The Beautiful Garden of Prayer," being left for Gordon West, who has voice of compelling sweetness and pathos for certain pieces.

Joseph Boulette, who worked in the woolen mill, boarding at a house in the village, failed to arise in the morning and having passed away some time during the night. He had not felt well for several days and the doctor surmised he had an attack of heart trouble. His wife and four children, three boys and a girl, were at their home in Skowhegan. It was a hard loss for them and they have the sympathy of the community.

Mr. and Mrs. Harry Norton and little daughter, Linda, were called from their home in South Portland to visit Mrs. Ruth Norton, who was on a sick bed and discouraged, and believed she would feel better to see her daughter hovering around her. She died before the cure was not yet completed.

Mr. and Mrs. Lawrence Leggett have been recent guests of Mr. and Mrs. Owen Palmer.

Miss Manda Fox, who has had charge of a Sunday School Class at Sebago Lake returned home the first of the week.

Mrs. Fred Smith of Springfield is the guest of her sister, Mrs. Jennie Chapman.

The Ladies' Circle, Sunday evening, was led by Mrs. Bertha Doe and was exceedingly interesting, a number of by-gone days when the now sainted members, led the upward way.

Miss Mary Jane, of the "The Jesus" L. Stanley sang a duet, "It is Well With My Soul," which added well to the pleasure of the evening.

The HOTTEST day on any road
could not destroy
SOCONY DE-WAXED MOTOR OIL!

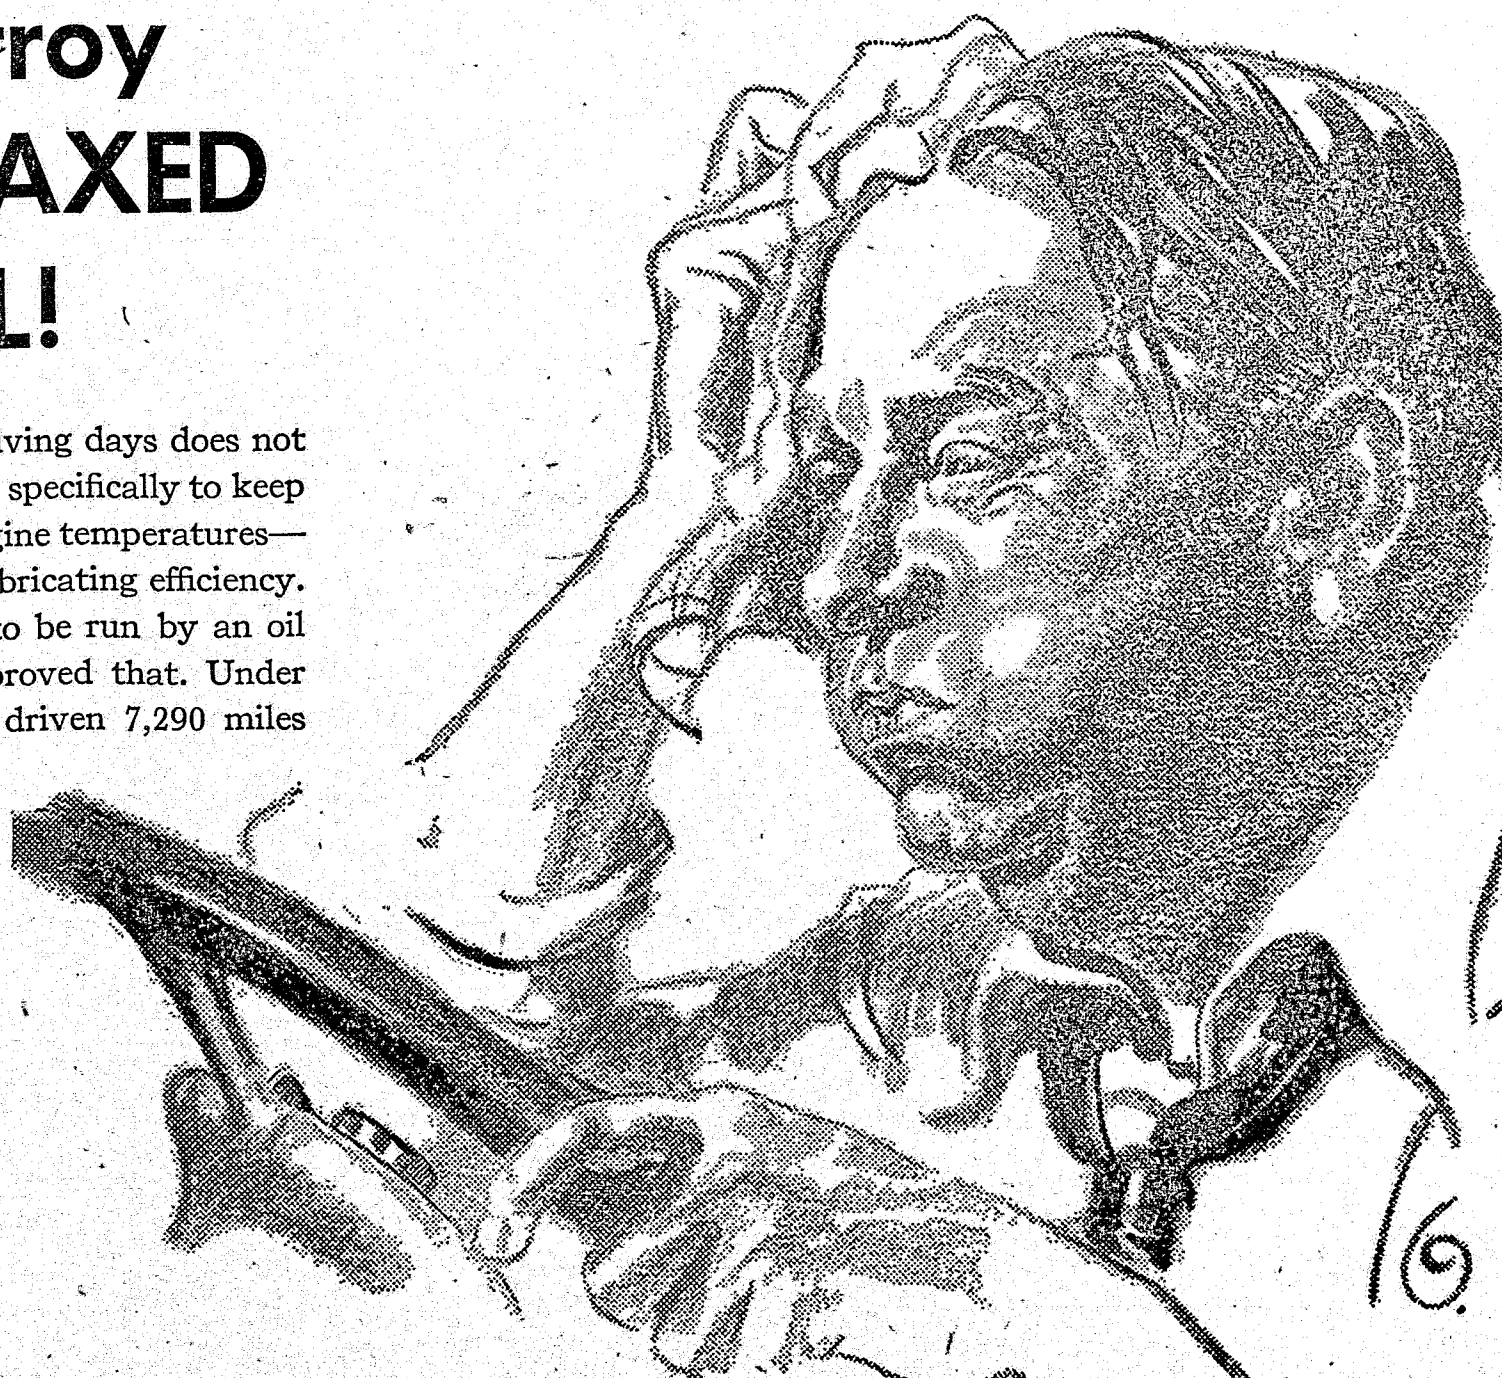

A NEW "high" on the thermometer these hot driving days does not affect Socony De-waxed Motor Oil! It is built specifically to keep its "body" and lubricate smoothly at the highest engine temperatures—at heat that makes ordinary motor oils lose their lubricating efficiency. Socony's Indianapolis Test, the first such test to be run by an oil company on this famous speedway, conclusively proved that. Under A. A. A. supervision, three standard sedans were driven 7,290 miles each in 5½ blistering summer days and nights, round and round the Indianapolis Speedway.

In spite of mile-a-minute speed, in spite of crankcase temperatures of 248 degrees and more—that's 50 per cent above the heat your crankcase would ever show on the road—Socony De-waxed Motor Oil performed perfectly, kept its "body," reduced engine wear and carbon formation to a minimum.

For safe lubrication, for longer, smoother engine performance—use Socony De-waxed Motor Oil! Prepare now for the next real hot day. Then, keep your eye on the thermometer—and Socony!

WATERFORD

Kokosing Notes

In compliance with advice from the State Board of Health, Camp Kokosing will avoid contacts with other groups during this period of anxiety regarding the epidemic of Infantile Paralysis existing in the cities.

It is a great disappointment to the members of Camp Kokosing to have to announce the postponement of their Indian Pageant until another season. Instead, the camp will make personal contributions to augment the fund which was begun with their opera given for the benefit of the Waterford Vacation School.

These safety measures are adopted for the best protection of the girls who are summering in the camp.

South Paris

Joint Field Day

Oxford County Farm Bureau and Oxford Pomona Grange Met in South Paris

Many farmers and housewives attended the joint field day of the Oxford County Farm Bureau and Oxford Pomona Grange held at South Paris on August 5. There is always a crowd at these field days and this year it seemed as if there were more than ever before. They came from all directions and came early, and there were hundreds on hand when the time came for opening the program.

Two large classes took the air promptly at 9:30, starting the program off and continued to take up passengers during the day.

The running pin throwing contest was a source of much fun. This was won by Mrs. Anna Duley, South Paris. Each contestant was furnished with three rolling pins which she threw at a dummy some yards distant. Judges were on hand to pronounce the winner.

Rope pulling was another sport of the day. Two picked teams of ten men each pulled for one minute. One team was headed by Guy Bartlett, Farm Bureau chairman in East Bethel, the other team was led by Lon Wright, Newry, who is Pomona Grange Master. The team headed by Lon Wright won the pull.

Howard Shaw's South Paris Band provided music during the time devoted to sports.

At eleven o'clock all men were directed to the woodlot improvement area. Donald Agard H. Ridley explained the need of thinning and the manner in which the demonstration was laid out. He then introduced W. B. Deering, who is the Oxford County Forestry Project Leader, who gave a good talk. Mr. Deering has a mill of his own, and has done a great deal in the line of Forest Woodlot Improvement on his own land.

Mrs. Rena C. Bowles gave an excellent talk during the forenoon on the subject of child training.

As a part of the afternoon program, there was singing, led by Rev. W. I. Bull of North Waterford.

Lon Wright, master of Oxford Pomona, presided at the afternoon program. Visitors were welcomed by Ernest Talbot and V. W. Canham of the Lewiston Sun made an entertaining talk. A 4-H Club demonstration was given by Helen Crouse and Mabel Hersey of North Waterford on preparing supper.

The principal address of the afternoon was given by Bradford Redmond of Waterville, on the home, closing with a Guest's poem on that theme. There were various exhibits about the farm which were significant. One was a field of alfalfa, with which some of these presenters were acquainted. This field was seeded in 1928, and the first crop, in 1931, was a 3 tons per acre. There was also a showing and demonstration of draperies for the home. The exhibit of draperies was from B. Peck Co., of Lewiston. Miss Leona Martin in charge. Mrs. Harold Bailey of Norway had an exhibit of fancy work and sold quite a bit. Pease Grange had a refreshment stand, selling hot dogs, etc., and had a good business. Ralph K. Butts was on hand with a display of electrical supplies and refrigeration supplies.

A picnic lunch followed the sports with cold milk and coffee furnished.

The three Adult Poultry Clubs of Hiram, Norway and Mexico are again planning a tour for the benefit of all county poultry raisers.

The date set for the tour is next Friday, August 14. The program is outlined below. Most of the flocks to be visited have from 1,000 to 4,000 birds on range yearly. Two of the flock owners have Plymouth Rocks and the rest Rhode Island Reds.
